

## Isis “Winter” League Marshalling Rota 18<sup>th</sup> MAY 2008

Please can marshals be sent from each college to cover the marshalling shifts below. Make sure the marshal allows plenty of time to get to the race desk, and arrive on time, since briefings begin promptly. **Colleges will be fined for late marshals.**

Please ensure that **all marshals have read the event plan and marshalling guide** available from the website (<http://www.ourcs.org.uk/files/file/racing/iwl0708/iwlmarshals.pdf>). This takes just a few minutes and does help to make the event far safer. Please note that marshals **MUST NOT** change during racing- one person will need to cover the entire slot.

Finally remember we are expecting good weather, so bring adequate protection from the sun as well as plenty of fluids.
