Q addressed the Captains and explained that, under the OURCs Constitution, those who have been successfully elected by the Captains take post immediately, and, to reduce stress placed on the newly-elected OURCs Executive Committee, the Captains were moved to resolve that the effect of these elections would not take place until 31/07/2023. It was pointed out that this would effectively extend the terms of current office holders.

**The resolution that elections would come into effect after 31/07/2023 passed unanimously. Charlotte will take post as Captain of Coxes after the end of July.**

5. **Secretary Election** – Natasha Smith to speak

Q has been Secretary for the past two two terms, and can continue next term as he was voted in to the position in HT23, however he will be in his third year and cannot do more than that. Please discuss with your club, if anyone is interested in the role they should speak to Q. Without a new Secretary, racing cannot happen.

6. **Treasurer Election** – Natasha Smith to speak

The position of Treasurer will be vacant when Charlotte steps down and takes up Captain of Coxes. The role is not very time consuming, please discuss with your club to help find someone, if anyone is interested, please email Charlotte.

7. **Ratification of Club Safety Reviews** - Natasha Smith to speak

- Brasenose - £150
- St Johns - £50
- St Peters - £25

**No objections. Ratified.**

- **ReuBenet's** – Q Sun to speak

As Reuben begins to form as an independent club, all eligible Reuben full members will be transitioned from Linacre into Reuben, all current members of Blackfriars' Boat Club (untransferred members of Blackfriars, St. Stephen's House, and the former St. Benet's Hall); will automatically become a full member of Reuben. The exceptions to this are female members of Blackfriars that have chosen to row with Regent's Park BC, who will remain at Regent's Park BC until further notice.

Any previous member of St Benet's who have been relocated will remain at their current club and will be required to transfer formally via a Captains' Meeting under A1.2.
