(L) = Lights must be on your boat (M) = Mixed (N) = Novice

Please remember the golden rules:

- Boat as soon as the following launch has passed your raft
- “Higher” crews – get a whole lap in if you’re early; if late, spin at your starting area
- “Lower” crews – Head to Haystacks, giving way to spinning, “higher” crews
- Be in place, kit changed and ready to go 3 minutes before the division starts
- Tap up to close all gaps *immediately* using *at least* 4 rowers
- Faster boats must make their own way around smaller boats
