7. Request for Extension of Student Status

~~Laurentius Heukamp (St Catz) to Speak~~

~~Charlie Knight (St. Catherine's) began rowing for St Catz as a Novice in Michaelmas Term 2024 and has now rowed for the Club for 3 terms. During his time, Charlie has shown exceptional dedication to the Club both on and off the water. He now serves on the committee as Secretary and Lower Boats Captain for the 2025-/2026 academic year and works in the College Hall part time. Charlie has not continued on to do his integrated Master's, despite originally planning to do so. This decision has unexpectedly cut his academic tenure short, which otherwise would have ended in Trinity Term 2026. Charlie remains fully embedded in the life of SCCBC and our rowing community. He is living in Oxford with multiple Catz Men's Seniors and continues to actively contribute to the Club's operations and culture. Given his substantial involvement, leadership roles, his employment at the College Hall and ongoing presence within SCCBC, extending his student status would both recognise his dedication and support his welfare as part of the Catz community.~~

~~We would, therefore, like to request an extension of his student status until the end of TT2026 allowing Charlie to compete in bumps competitions as a full member.~~

~~Proposer: Laurentius Heukamp (St Catherine's)~~

~~Seconder: Sam Lennon (St Catherine's)~~

~~Motion removed with consent of proposers after discussion of particularities in Code of Conduct A1.1.a.i.~~
