(S)= Spinning Priority

Please remember the golden rules:

- Boat with bows downstream as soon as the last racing crew (indicated by the passage of the following launch) has passed your raft.
- Proceed directly to the Gut on your side of the river, then circulate below the Gut.
- Be in line, kit changed, and ready to go 5 minutes before your division starts.
- Except in the Gut**, slower boats give way to faster crews. Crews who are being overtaken must make all reasonable efforts to not impede other crews.
