(L) = All boats must have lights, (N) = novice, (S) = Crew has spinning priority

Please remember the golden rules:

- Boat with bows downstream as soon as the last racing crew (indicated by the passage of the following launch) has passed your raft.
- Proceed directly to the gut on your side of the river then circulate below the gut.
- Be in line, kit changed and ready to go 5 minutes before the division starts.
- Tap up to close all gaps *immediately* using *at least* half your crew.
- Except in the Gut, crews who are being overtaken must make all reasonable effort not to impede other crews.
