7. **Extension of Student Status** – Natasha Smith to speak  
*Two-thirds majority to pass*

**Sarah Kime (St John's):** A second-year at St. John's, had to rusticate in Michaelmas of 2022 due to bereavement of an immediate relative. Before Sarah rusticated she was an active part of the rowing club for the past 2 terms. She is now working for a charity in Oxford and would like to train and race with our club again. This would allow her to maintain important friendships and social connections, which will be a great help to settle back into Oxford now and when she returns as a full student next year. We would like to request an extension of her student status from the captains for the duration of HT23 to allow her to race with our W2 in Torpids 2023. Sarah only started rowing in Trinity 2022 so her experience matches that of the rest of the boat and will not give the boat an unfair advantage during the races.

*Proposed: Hannah Koch (St John's)*

*Seconded: Cameron Renwick (St John's)*

8. **River Closures** – James Marsden to speak

The river closure for Rowing On passed in the previous Captains' Meeting begins the closure at 08:30. Racing does not begin until the afternoon, therefore we would like to propose changing the start time of the closure to 11:00 to allow graduate clubs out prior to racing.
