Remember that **bicycles are banned**, so plan ahead.

Only the first umpire for the day (at **10:15am**) needs to report to Longbridges; the rest can go directly to their assigned position.

You *may* split the day up between people, provided that each person does at least **2 hours** (4 races), and there is a thorough briefing at handover.

**Don't handover just before a race!**

Dress appropriately for the weather and watch personal belongings carefully. Bring water and sunscreen.

To umpire you need to have adequate hearing ability to work radios.
