(BB) = Beer Boat

Please remember the golden rules:

- Boat with bows downstream as soon as the last racing crew (indicated by the passage of the following launch) has passed your raft.
- Proceed directly to the gut on your side of the river then circulate normally below the gut.
- Be in line, kit changed and ready to go 5 minutes before the division starts
- Tap up to close all gaps *immediately* using *at least* half your crew
- Crews being overtaken in Rowing On **MUST** give way. Failure to do so may result in a time penalty. Time bonuses maybe awarded to impeded crews.
