Emergency Action Plan

Summer Eights 2023

Introduction:

This Emergency Action Plan is designed to act as an *aide memoire* for officials dealing with any serious incident should it occur during Rowing On and Eights, on 20th May 2023, and 24th – 27th May 2023 respectively.

In the event of a serious incident:

- IN A MEDICAL EMERGENCY, INCLUDING ANY CREW MEMBER BEING TAKEN SERIOUSLY INJURED OR BECOMING UNRESPONSIVE, IMMEDIATELY:
 - Marshal(s) to sound klaxon to stop the race in progress.
 - Marshal to raise the alarm with the Race Desk and launch or with other boats if available. Incident Coordinator to take control of incident. Medical personnel to be deployed.
 - If incident is on the water, move all parties involved to riverbank at earliest possible opportunity.
 - Use mobile phone to dial 999 for emergency assistance. In the event of no mobile phone coverage there is an emergency (999 calls only) landline phone at the back of Longbridges Boathouse.
 - If required, defibrillators are available at Balliol Boat House (///ally.pilots.cloth), University Boat House (///nation.bunks.levels), Longbridges Boat House (///normal.when.sings), and Riverside Centre (///rider.burst.vouch)
 - Advise emergency services that the designated point for EMS vehicles is at the Riverside Centre off Donnington Bridge (postcode - OX4 4AZ, ///copy.bath.ridge) or at University Boathouse (postcode – OX1 4PS, ///nation.bunks.levels). If this is not possible or should medical personnel feel that one of the other emergency access points is required, the other access locations to the river are:
 - Longbridges Boat House (key to gate off Donnington Bridge (///causes.gets.scars) held at Race Desk).
 - To Boat House Island via Christ Church Meadow (///scrap.wiring.mixed). Call Christ Church Lodge on 01865 276150 to gain access.

Incident Coordinator to keep detailed notes of incident and ensure incident reported to appropriate bodies/persons, including College if student is taken to hospital.
