(L) = Lights must be on your boat (Mxd) = Mixed (N) = Novice

Please remember the golden rules:

- Boat as soon as the last racing crew (typically followed by the following launch) has passed your raft
- Crews 1-6 – get a whole lap between Haystacks and Falcon raft in if you're early; if late, spin at your starting area
- Crews 7-13 – go to Haystacks, giving way to spinning, "higher" crews
- Be in line, kit changed and ready to go 5 minutes before the division starts
- Tap up to close all gaps *immediately* using *at least* half your crew
- Faster boats must make their own way around slower boats
