

Isis Winter League E Marshalling Rota

Please can marshals be sent from each college to cover the marshalling shifts below. Make sure the marshal allows plenty of time to get to the race desk, and arrive on time, since briefings begin promptly. *Colleges will be fined for late marshals.*

Please ensure that *all marshals have read the event plan and marshalling guide* available from the website (<http://www.ourcs.co.uk/?link=1465>). This takes just a few minutes and does help to make the event far safer. Please note that marshals **MUST NOT** change during racing- one person will need to cover the entire slot.

Finally remember we are still in February so it is likely to be cold- make sure marshals wrap up warm- especially those who are there until the end.

IWL E RACING SCHEDULE

17th February 2008

Please remember all crews should be boating when the previous division is passing by and then pushing off of the raft when the last boat has passed. There are a lot of crews racing so please be aware that several crews may be sharing the same raft, and therefore boat quickly in consideration.
