**(L) = Lights must be on your boat**

### **Please remember the golden rules:**

- Boat as soon as the last racing crew (typically followed by the following launch) has passed your raft
- Crews 1-8 - get a whole lap between Haystacks and Falcon raft in if you're early; if late, spin at your starting area
- Crews 7-16 - go to Haystacks, giving way to spinning, "higher" crews
- Be in line, kit changed and ready to go 5 minutes before the division starts
- Tap up to close all gaps *immediately* using *at least* half your crew
- Faster boats must make their own way around slower boats
